Upon receiving such application for a continuance the said authority, if it believes the facts stated therein are true, shall extend the provisions of said permit to the day fixed in said application, not later than one week after the original day designated in the permit, and such extension of time shall be granted without the payment of any additional fee and without requiring any bond other than the one given for the original permit, the provisions of which shall extend to and cover all damages which may be caused by reason of the said display taking place at such extended date in the same manner and to the same extent as if such display had taken place at the date originally fixed in the permit.

**§ 1275. Sale, possession and use of fireworks**

Nothing in this act shall be construed to prohibit any licensed facility from selling any consumer fireworks or the year-round sale of any kind of consumer fireworks to out-of-State residents whose status is verified to the licensee, provided the licensee retains proof of such status and produces it for review upon request of the Department of Agriculture and provided the same are to be transported directly out of state by the seller or purchaser. Consumer fireworks and display fireworks may be possessed and used by a person holding a permit from any municipality at the display covered by such permit, or when used as authorized by a permit for agricultural purposes in connection with the raising of crops and the protection of crops from bird and animal damage, or the use by railroads or other transportation agencies for signal purposes or illumination, or when used in quarrying or for blasting or other industrial use, or the sale or use of blank cartridges for a show or theatre, or for signal or ceremonial purposes in athletics or sports, or for use by military organizations or organizations composed of veterans of the United States Army or Navy.
