-----------------	-------------------

Crash Synopsis:

This 2 vehicle crash occurred as Unit 1 was traveling on I80 in the left lane in the area of the 119 mile marker. Unit 1 abruptly swerved into the right lane causing the Operator to lose control of the vehicle. Unit 1 traveled off the right berm of the right lane in which the Operator over-compensated the steering back to the left causing Unit 1 to travel in a counter-clockwise motion. Unit 1 traveled across both lanes, off the left berm, and collided with the guard rails as Unit 1 continued spinning out of control. Unit 1 struck the left side guard rails a second time when Unit 2, which was traveling in the left lane struck Unit 1 and pinched Unit 1 in between the left side guard rails and Unit 2's trailing Unit. There are no injuries related to this incident as all occupants of both Units were wearing seat belts. Unit 1 was removed from the scene by ROSS Towing. Unit 2 was removed from the scene by BRICEN towing. The Operator of Unit 1 was cited for a violation of the PA Vehicle Code section 3309- Roadways Laned for Traffic.
