Crash Synopsis:

In the interest of transparency, it is the policy of PSP to disseminate information regarding incidents which are likely to generate significant interest among the public and media in a timely manner. While we make every effort to ensure the information is accurate to the best of our knowledge and belief, incidents are often fluid and rapidly evolving. Information provided should be considered preliminary and subject to change as additional investigative details emerge.

This crash occurred on 03/24/24 at approximately 1451 hours on Old 22 at the intersection of Stump Rd, Greenwich Township, Berks County, PA. At the scene of the crash the roadway is straight and is slightly uphill. At the time of the crash the roadway was dry and there were no adverse weather conditions. Operator of Unit 1 suffered injuries from the crash and was transported from the scene by EMS. Unit 1 and Unit 2 were towed from the scene.

Based upon my crash investigation and operator interviews, this crash occurred as Unit 1 was traveling East on Old 22 at a high rate of speed. Unit 2 was turning to travel West on Old 22 from Stump Rd. Unit 2 was unable to see Unit 1 due to Unit 1 traveling at a high rate of speed. Unit 2 entered the roadway and Unit 1 struck Unit 2's 11 o'clock position. Operator of Unit 1 was thrown off his bike over Unit 2. Operator of Unit 1 suffered serious leg injuries and was transported from the scene to the hospital.
