**Crash Synopsis:**

This crash occurred as Unit 1 was traveling east on Paxtonville Road (3008) in Franklin Township, Snyder County. As Unit 1 was traveling east on Paxtonville Road and negotiating a slight left curve, Unit 1 was traveling at a rate of speed too fast for conditions, subsequently causing Unit 1 operator to exit the roadway on the right side and impact a ditch with its 12 o'clock position. This was point of initial impact. After initial impact, Unit 1 attempted to regain control and reenter the roadway. Unit 1 continued traveling east across the opposing lane of travel before exiting the roadway on the left side and proceeded through a residential yard. After traveling through a residential yard, Unit 1 struck landscaping and a landscaping fence with its 12 o'clock position. This was point of secondary impact. After secondary impact, Unit 1 continued traveling east through an additional residential yard before striking a residence with its 12 o'clock position. This is annotated as both tertiary impact and Unit 1's final resting position. Unit 1 was facing east at final rest.

Unit 1 operator was uninjured during this crash thus not requiring any medical treatment.

Unit 1 sustained disabling damages and was removed from scene via the responding tow company.

Assisted on scene by Trooper Elisha REMENER, the Middleburg Police Department, Pyles Auto Wreckers and both Middleburg Fire and EMS.
